Development & Climate Days

11-12 November 9:00–17:30
with drinks and networking on Sunday evening

Join us for the 15th Development & Climate Days (D&C Days) at the UN Framework Convention on Climate Change COP23 meeting in Bonn, Germany on the topic of Global ambition, local action, climate resilience for all.

D&C Days will be asking big questions, seeking big answers, and working together on fair solutions. D&C Days features dynamic, interactive dialogue, including participatory games, lightning talks, discussions, high-level panels, and more.

We will focus on four themes:

- Resilience through empowerment and access
- Valuing lived experience, and local knowledge
- Transparency and downward accountability
- Shared resilience
