

Global ambition.
Local action.
Climate resilience for all.
#DCdays17

Draft programme

Day 1:	Saturday 11	Plenary	Parallel 1	Parallel 2	Parallel 3
08:30-09:30	Check-in and coffee				
09:30-09:45		Welcome / opening remarks			
09:45-10:45		Session 1 - PLENARY: Global ambition. Local action. Climate resilience for all.			
5 min		Pitches for parallel sessions			
11:00-11:30	Break				
11:30-13:00		Session 2A: How can gender responsive climate action lead to resilient communities?	Session 2B: What actions can companies take to reduce vulnerability and enhance resilience in the communities along their supply chains?	Session 2C: How can we build resilience in fragile and conflict affected contexts, where many of the world's most vulnerable people live?	Session 2D: How can we improve access, understanding, trust and use of data to improve decisions and accountability? Can we use new technological and financial tools to ensure that information leads to decisions with better consequences in the climate and development sectors?
13:00-14:00	Lunch				
14:00-15:30		Session 3A: How can building resilience help prevent climate displacement?	Session 3B: Old wine in new bottles: Is resilience and risk management just good development 'with tweaks'?	Session 3C: What innovative ways are being developed to enhance downward accountability and to track the equity of benefit distribution from adaptation?	Session 3D: Open Space

15:30-16:00	Break				
16:00-17:30		Session 4A: Open Space	Session 4B: How can communities access financial support for strengthening resilience?	Session 4C: How do we mobilize the financial power of the private sector in support of climate resilience?	Session 4D: Open Space
17:30	End	Closing Remarks			
Day 2	Sunday 12	Plenary	Parallel 1	Parallel 2	Parallel 3
08:30-09:30	Check-in and coffee				
09:30-09:40		Welcome / Recap Day 1			
09:40-10:55		Session 5 - PLENARY			
5 minutes		Pitches for parallel sessions			
11:00-11:30	Break				
11:30-13:00		Session 6A: What do LDCs expect of the global system and what does the system expect of them. How can the LDC perspective inform the global negotiations?	Session 6B: How can community-owned adaptation solutions reach scale?	Session 6C: Listening to local voices: How can local actors inform national and global decisions so that they prioritize the needs of the most vulnerable?	Session 6D: What would a science-based target on resilience look like?
13:00-14:00	Lunch				
14:00-15:30		Session 7 - OUT OF THE BOX			
15:30-16:00	Break				
16:00-17:30		High Level Panel			
17:30	End	Closing Remarks
