## Timetable of events

#CBA12

|  <b>Day 1</b> Introduction, market places, initiate workstreams 1, 2 & 3 |   | Monday 11 June   |
|---|---|--|
| When  | Where   | What   |
| 08:00-08:30   | Lobby   |  <b>Check-in</b>  |
| 08:30-09:15   | The Great Sapitwa (front)   |  <b>Opening</b> – Introductions and explanation of programme  |
| 09:15-10:30   | The Great Sapitwa (front)   |  <b>CBA market place – Round 1</b> – Speed dating rounds of 10 minutes each, participants visit stalls to hear exhibitors innovations and learnings for 5 minutes following up with a discussion for 5 minutes  |
| 10:30-11:00   |  <b>Coffee break</b> |  |
| 11:00-11:30   | The Great Sapitwa (front)   |  <b>Making pitches for investment</b> – Discussion of what it takes to get funding and investment into CBA – and how the workstreams need to prepare for days 3 and 4<br><b>Overview of key elements to scale up investment in CBA:</b> <ol style="list-style-type: none"> <li>1. Define your CBA initiative: what kind of asset are you creating?<br/>Assets could include: infrastructure, institutions, skills etc</li> <li>2. Results from investment in a community-based initiative</li> <li>3. Aggregation models to (a) aggregate community-based initiatives and (b) aggregate financial instruments</li> <li>4. Enabling environment for investment in CBA: policies; institutional structures (like DCF) and technological interventions that incentivise investment in CBA</li> </ol> |
| 11:45-12:30   |   |  <b>Break-outs: workstreams to focus on elements to scale up investment in CBA</b>  |
|   | The Great Sapitwa (front)   | <b>Workstream 1</b><br>Introduction to how to transform local experience into policy influence. Identification of examples from participants   |
|   | The Great Sapitwa (back)  | <b>Workstream 2</b><br>Introduction to devolved climate finance: the 'unique selling points' and strategies of different approaches to devolved climate finance represented at CBA   |
|   | Bamboos   | <b>Workstream 3</b><br>Introduction to the adaptation technology workstream: <ul style="list-style-type: none"> <li>▪ What we mean by 'technology' and principles that can be used to judge its relevance and suitability to CBA</li> <li>▪ The rationale and objective of the workstream – using 'technologies' to excite and motivate investors, including rural communities, local businesses, governments and donors               <ul style="list-style-type: none"> <li>▪ <i>Examples from the floor</i></li> </ul> </li> <li>▪ Breaking the challenge down to practical chunks – workshops 1,2 and 3</li> </ul>   |

## Timetable of events

#CBA12

| Day 1 (continued) |                           | Monday 11 June   |
|-------------------|---------------------------|--|
| When              | Where                     | What   |
| 12:30-13:30       | Lunch                     |  |
| 13:30-15:30       |                           | <b>Break-outs: workstreams continue</b>  |
|                   | The Great Sapidwa (front) | <p><b>Workstream 1</b></p> <p>'Realist Synthesis':</p> <ul style="list-style-type: none"> <li>▪ Explanation of the methodology being used in Ethiopia by Irish Aid, IIED and partners</li> <li>▪ Discussion of the practical steps in building a robust evidence base from experience</li> <li>▪ Comparison with examples of transforming experience into evidence for policy</li> </ul>                                   |
|                   | The Great Sapidwa (back)  | <p><b>Workstream 2</b></p> <p>Dissecting devolved climate finance</p> <p>This session will look at devolved climate finance through three lenses – 'Resilience', 'Inclusion' and 'Scalability'. Participants will consider how approaches operationalise these concepts, and the challenges and trade-offs that come with doing so. We will build a shared understanding of the principles of devolved climate finance</p> |
|                   | Bamboos                   | <p><b>Workstream 3</b></p> <p>Opportunities related to the management of (local) natural capital – soils, biodiversity (crop, livestock, trees, fish), water, land</p> <ul style="list-style-type: none"> <li>▪ Examples from the CBA community</li> <li>▪ Workshop – further sharing and development of ideas</li> <li>▪ Report back</li> <li>▪ Prioritisation and what is needed to pitch these ideas</li> </ul>         |
| 15:30-16:00       | Coffee break              |  |
| 16:00-17:15       | The Great Sapidwa (front) | <b>CBA market place – Round 2</b> – Speed dating rounds of 10 minutes each, participants visit stalls to hear exhibitors innovations and learnings for 5 minutes following up with a discussion for 5 minutes  |

**Day 2** Workstreams 1, 2 & 3, skills share, prep for day 3

**Tuesday 12 June**

| When        | Where                     | What   |
|-------------|---------------------------|--|
| 09:00-09:30 | The Great Sapitwa (front) | <b>Report back from workstreams</b> – Reflection on the previous day from participants on progress achieved, aha moments and challenges  |
| 09:45-11:00 |                           | <b>Workstreams conclude</b>  |
|             | The Great Sapitwa (front) | <b>Workstream 1</b><br>Generating a critical mass of evidence from experience. Challenging gender inequality in generating better policy evidence. Plans for collaboration and new work to transform local experience in policy influence developed  |
|             | The Great Sapitwa (back)  | <b>Workstream 2</b><br>Consolidating understanding. Refining how devolved climate finance is understood and pitched to different types of investors. Thinking through aggregation, scalability and enabling environments that make devolved climate finance work in practice   |
|             | Bamboos                   | <b>Workstream 3</b><br>Opportunities that come from new technological innovations – eg renewable energy, climate information systems (CIS), information and communication technologies (ICTs) <ul style="list-style-type: none"> <li>▪ Examples from the CBA community</li> <li>▪ Workshop – further sharing and development of ideas</li> <li>▪ Report back and prioritisation</li> </ul> |
| 11:00-11:30 | <b>Coffee break</b>       |  |
| 11:30-13:00 | The Great Sapitwa (front) | <b>Workstreams report back to plenary</b> – Outputs and outcomes of exchanges and discussions set out by representatives of each workstream  |
| 13:00-14:00 | <b>Lunch</b>              |  |
| 14:00-15:30 | The Great Sapitwa (front) | <b>Skills share</b> – Participants will share their CBA related skills with interested participants – including sessions on <i>'Becoming an expert blogger'</i> and <i>'Climate and SDG monitoring, evaluation and learning'</i>   |
| 15:30-16:00 | The Great Sapitwa (front) | <b>Prepare for day 3</b> – Suggestions for the preparation of pitches for investment <ul style="list-style-type: none"> <li>▪ Clustering investments</li> <li>▪ Matching investments to financial sources</li> <li>▪ Pitch format</li> </ul>   |
| 16:00-16:30 | <b>Coffee break</b>       |  |
| 16:30-17:45 |                           | <b>Small teams from all workstreams work on pitches to be made during day 3</b>  |
|             | The Great Sapitwa (front) | <b>Workstream 1</b> <ul style="list-style-type: none"> <li>▪ What does the evidence say about the effectiveness of locally-driven climate action and the case for further investment</li> <li>▪ The case for supporting the gathering of evidence in support of locally-driven climate action</li> </ul>   |

| Day 3 Investment schemes, CBA Dragons' Den, burning ideas |   | Wednesday 13 June  |
|---|---|--|
| When  | Where   | What   |
| 08:30-09:00   | The Great Sapidwa (front)                                   | <b>Opening</b> – Recap on days 1 and 2; introductions of new participants  |
| 09:00-11:00   | The Great Sapidwa (front)                                   | <b>Gender equality and climate Talanoa</b><br><i>Chaired by:</i> Mary Robinson, President, Mary Robinson Foundation – Climate Justice<br><i>Opening panel:</i> Uganda Minister Mary Kitutu; Saleem Huq, LUCCC coordinator; Constance Okollet, Ugandan grassroots climate activist<br>Facilitated round tables will discuss how grassroots women's representation in local, national and international decision making enables gender transformative climate action?<br>Feedback from the roundtables<br><i>Closing remarks:</i> Stella Gama, Gender and Technology expert, LDC climate negotiation group, Government of Malawi |
| 11:00-11:30   | <b>Coffee break (and propose your 'burning ideas')</b>      |  |
| 11:30-13:00   | The Great Sapidwa (front)                                   | <b>Financing locally-driven climate action</b><br>Introduction. Invited resource people provide examples: <ul style="list-style-type: none"> <li>▪ John Gilliland (VITA) Green Impact Bond</li> <li>▪ Jonas Restle (Adelphi)</li> <li>▪ Karen Chinkwita (Social Enterprise Academy, Malawi)</li> </ul>   |
| 13:00-14:00   | <b>Lunch (merge your 'burning ideas' with allied ideas)</b> |  |
| 14:00-16:30   | The Great Sapidwa (front)                                   | <b>Dragons' Den</b><br>First a brief description by Gareth Phillips (AfDB) of the Adaptation Benefit Mechanism. Then the Dragons' Den where pitches for investment in locally-driven climate action are made to the Dragons. Feedback is provided and discussed. Then small group discussion by the teams who have made the pitches. In plenary the revisions to pitches outlined and discussed  |
| 16:30-17:00   | <b>Coffee break</b>   |  |
| 17:00-17:45   | The Great Sapidwa (front)                                   | <b>Burning ideas</b><br>Small groups will discuss 'burning ideas' at round tables. Individuals will propose their ideas on a board at the first break. At lunch there will be an opportunity to merge similar issues. People can move between discussions to contribute to more than one 'burning idea'. The leads will capture the insights and agreed actions — which will be shared with the wider community of practice  |

| Day 4 LEG and UNFCCC Regional NAP Expo |                           | Thursday 14 June   |
|--|---------------------------|--|
| When                                   | Where                     | What   |
| 09:00-09:30                            | The Great Sapidwa (front) | <p><b>Formal opening (LEG/UNFCCC)</b></p> <ul style="list-style-type: none"> <li>Keynote by Government of Malawi Hon Minister, H.E. Mr Aggrey C. Masi, Minister for Natural Resources, Energy and Mining</li> <li>Latest developments in the process to formulate and implement National Adaptation Plans by LEG representative</li> </ul>   |
| 09:30-10:00                            | The Great Sapidwa (front) | <p><b>Feedback from days 1-3</b></p> <p>Summary of discussions and outcomes from days 1-3 and introduction to NAP Expo</p>   |
| 10:00-10:30                            | <b>Coffee break</b>       |  |
| 10:30-11:00                            | The Great Sapidwa (front) | <p><b>Regional NAP Expo. Session 1 – Opening and overview of the programme</b> – Discussion of formulating and implementing national adaptation plans (NAPs). The LEG will deliver a keynote on COP guidance for NAPs and on latest methodologies and tools developed by the LEG and the NAP technical working group to guide countries to formulate their NAPs.</p>   |
| 11:00-13:30                            | The Great Sapidwa (front) | <p><b>Session 2: Applying the integrative framework for NAPs and SDGs across scales and levels</b> – Discussion of implementation strategies by looking at examples of adaptation solutions with a focus on how government actors can best interface with non-state actors, including with regard to the mobilisation of resources and the application of adaptation technology. Discussions will be conducted in three parallel groups to each work on the topics below.</p>  |
| 13:30-14:30                            | <b>Lunch</b>              |  |
| 14:30-16:30                            | The Great Sapidwa (front) | <p><b>Session 3: Achieving integration and coherence in adaptation planning and implementation across levels, scales and actors within the national setting</b> – Adaptation takes place at multiple levels and scales that all contribute to the success of the process to formulate and implement NAPs, and effective coordination across levels and scales is important for that success. The session will discuss some of the key elements to underpin effective coordination and engagement of all actors. It will also look at how to measure success and effectiveness at the local levels, and possible aggregation to national level context. Discussions will be conducted in three parallel groups.</p> |
| 16:30-17:00                            | <b>Coffee break</b>       |  |
| 17:00-18:00                            | The Great Sapidwa (front) | <p><b>Formal closing of event</b></p> <p><i>Commentary by key figures for example:</i> Mary Kitutu; Saleemul Huq; Constance Okollet; Mary Robinson; Michelle Winthrop and Paul Desanker<br/>Clare Shakya: plans for community of practice; thanks to participants<br/><i>Closing words:</i> Government of Malawi Hon Minister, H.E. Mr Aggrey C. Masi</p>  |
